FALSE

That's my stalker Rick. His mom died of covid a couple weeks ago and his response was pretty much that he hated his mom.

ALSO FALSE

Not to mention his four arrests, his history of threatening law enforcement. The fact that he lost his security clearance and was removed from flight duty... he's a piece of shit who hated his mom and seems pretty glad she died of covid last month.

That's my stalker. He's been doing this for more than 4 years. Ever since I banned him from a community FB group for stalking someone else. He's a white supremacist monster. [@DickBattles](#) can fill you in.

And with all honesty and sincerity, Rick Rynearson, you likely need mental health counseling before you hurt yourself or someone else. I hope your retirement will bring you some measure of peace and stability.

Only one explanation. He hates/hated his **mother**. RIP Cathy Sue

Don't bother. His wife is out of town. Permanently. This guy can't be helped. People have tried. He's mental and needs medicated or something. Maybe a lobotomy. Or extermination. Not saying anyone should murder him. That's bad. But if his luck runs out, that's his fault. Karma

[#unsolicitedDickpic](#) the guy's **mother** died on Wednesday and he literally mourned for 2 seconds before going right back to obsessing over Houston. THAT is mental illness.

Amazingly, Rick couldn't even be bothered to drop the act while his **mother** was dying on Wednesday. He's not even going to give her a proper service. Such a sweet gesture from her only son. You can feel the love. Way to go Rick! Way to go! Make mommy proud

The ingrate couldn't even stop tweeting [@TheWouston](#) for 5 minutes let alone 24 hours to show any respect to his **mother**. What kind of cold heart could do that? That's not normal.

Hey [@JustsayNO2JMO](#) you nailed it. It only took a couple of minutes. Just about the same amount of time he took to get off Twitter to grieve his **mother**. Bless that woman. She got the short end of the son stick.

Family usually means honoring one's **mother** by going to their funeral. Ricky stayed home and tweeted about Houston 500x instead. Nobody aspires to that.
